

ECO 'LUNCH & LEARN' JOIN OUR VIRTUAL PRESENTATION

Brought to you by

Bermuda College & BEST (Bermuda Environmental Sustainability Taskforce)

Our popular **Eco Lunch & Learn** presentations are back and available online until we are able to return to 'in person' events at Bermuda College. Our first presentation on October 28th, featured entomologist Claire Jessey, who delivered a very informative talk on ants.

> Our November feature is presented by Bermudian, **Danny R Simmons**, a Landscape Architect who has a wealth of experience, working for over 25 years in the Ministries of Works & Engineering, Public Works and the Office of Project Management & Procurement. Danny cares passionately about the quality of public spaces and streets for people as well as for nature!

Join us for this **FREE** lecture followed by a Q & A.

No registration is required!

The Bermuda Botanical Gardens Strategic Plan: A 'Call to Action'

Presented by

Danny R. M. Simmons, M.L.A., A.S.L.A., M.C.H.T.A., M.C.M.I.

This presentation highlights critical pre-planning activities undertaken to date. It also proposes 9 strategic initiatives deemed necessary to reverse the risk of further loss to the Garden's value, as well as improve the effectiveness of an updated Botanical Gardens Management Plan

Join our presentation on either [facebook.com/TheBermudaCollege](https://www.facebook.com/TheBermudaCollege) or on [The Bermuda College YouTube page](https://www.youtube.com/channel/UC...) on the day, November 18, at 1pm.
