

## BEST WINNERS TAKE A TOUR OF TRUNK ISLAND WITH DAVID WINGATE

---

In celebration of the launch of our new website, we asked visitors to the new website to search for the answer to our question, 'Who is the BEST mascot?'. Correct answers were entered into a draw for a unique tour of Trunk Island with Bermuda's leading conservationist, Dr. David Wingate.

This rare opportunity provided six lucky winners a chance to see how Trunk Island has become the most exciting and promising nature reserve restoration since the "Living Museum" nature reserve concept was first initiated on Nonsuch island.

Congratulations to our BEST winners who found the correct answer, 'Kermit the Frog'! They were: John Adcock, Lisa Whitecross, Katie Matcham, Chrystal Cassidy, Louise Brennan and Andrea McKey. BEST President Stuart Hayward and the Aquarium's Education Officer Dr. Jamie Bacon accompanied the tour.

Winner, Chrystal Cassidy said, 'Thank you! The tour was excellent and very informative.'

Another winner, John Adcock wrote about the website, 'I just want to say that the mobile-friendly version of the site is a much appreciated upgrade!'

We are so pleased that more than 500 people visited the new website. It is an amazing resource for everything environmental. As our President at BEST, Stuart Hayward, said, 'A website is like a window through which the public can see BEST and everything it does as through a window. The web-view of BEST is now sparkling, like new!'
