FILMS**

"BLUE is a cinematic song for our oceans; beautiful, intimate and grand. Fearlessly truth-telling, yet passionately hopeful. See this film and you will want to rise up with the waves."

-Greenpeace Australia

**Wednesday, Jan. 23rd at 7:30pm**

*BLUE* takes viewers on a provocative journey into the ocean realm. Witnessing a critical moment in time when the marine world is on a precipice. Featuring passionate advocates for ocean preservation, *BLUE* takes us into their world where the story of our changing ocean is unfolding. Meet those who are defending habitats, campaigning for smarter fishing, combating marine pollution and fighting for the protection of keystone species.

This feature documentary comes at a time when we are making critical decisions that will decide the legacy we leave for generations to come. *BLUE* shows us there is a way forward and the time to act is now.
