

A FREE PRESENTATION

Join Dr. James Fourqurean and learn about

The Links between Bermuda's Seagrass, Carbon Storage, and Global Warming

Thursday 4th August 2022 at 6pm, BUEI Auditorium

Dr. Fourqurean is a seagrass ecologist and professor at Florida International University. He is a lead scientist in the International Blue Carbon Scientific Working Group of the International Blue Carbon Initiative, and scientific representative to the International Blue Carbon Policy Working Group. Dr. Fourqurean was instrumental in initiating the Bermuda Department of Environment and Natural Resources Seagrass Monitoring Program in 2007.

The talk is open to the public and entry is FREE

Talk starts at 6pm

Doors open at 5:30pm. Come early and enjoy the BUEI Seagrass Restoration Exhibit

Visit Beyond Plastic Bermuda's new website to learn more about the perils of single-use plastic: www.beyondplastic.bm.

I Beyond Plastic is a collaborative campaign led by BEST, KBB and a team of local environmentalists. I

Are You Concerned About an Environmental Issue?

BEST encourages you to be their eyes and ears in the community. It will assist us in staying informed about issues, general and specific, that affect all of us and need resolving. We will pass them along to the proper local authority and have them actioned. Please contact us here with your concern: <https://best.org.bm/contact>
