

During this Season of Giving, we ask that you please consider supporting the work of Bermuda Environmental Sustainability Taskforce (BEST).

A donation to BEST is a donation to the community, a vital step towards protecting and enhancing Bermuda's precious open spaces and natural beauty for our children, grandchildren and all future generations.

Over the past year, BEST has diligently worked to implement projects that are meaningful and impact the long-term sustainability of Bermuda.

In addition to supporting our ongoing work, BEST responds to environmental threats and is active in influencing government policies.

Your kind donation will help us to continue work on our current projects, which include:

- Input on Bermuda's energy future
- Pesticide use in Bermuda
- Protection of Bermuda's invaluable marine environment
- Restoration of Marsh Folly and Pembroke Canal
- Eco Lunch & Learn series in collaboration with the Bermuda College
- BEST Study Buddies and the summer intern programme

With your financial support, we can continue to realise the BEST mission for our island home:

To preserve and enhance the quality of life in Bermuda for present and future generations by engaging with the community to advocate for sustainable management and development of the physical, social and economic environments.

How to donate:

Online:

www.best.org.bm/donate/

In person:

International Centre | 4th Floor | Room 403 | 26 Bermudiana Road | Hamilton

By Mail:

Suite 1518 | 48 Par-la-Ville Road | Hamilton HM 11

(Donations by cheque made payable to BEST)

A gift to BEST is the gift that gives back for generations to come!
Thank you!
