The focus of our community coming together to preserve the park demonstrates community building and is something that Mirrors promotes. We are always encouraging our young people to get involved in community outreach programmes that benefit our island." She further stated, "This spirit of cooperation will go a long way to affect society as a whole."

Further clean up dates are **20th July, 17th August, 21st September and 2nd November, between 9:00 am and finish at 2:00 pm.** Students looking for community service hours or anyone interested in assisting can contact the Mirrors office at 294-9291 or email Margot Shane: mfshane@gov.bm or Mirrors@gov.bm.
