

Lyrics

PLEASE SING ALONG WITH US

IMAGINE

By John Lennon

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today... Aha-ah...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Living life in peace... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

PROUD TO BE BERMUDIAN

There's no denying
These are not our best days
So many things gone wrong
It seems we've lost our way
But for us this is not how the story
ends
We've braved rough seas before
And we'll do it again

Chorus
Truth is there is more to us
A strength that's at the core of us
A kindness that still shines
Through the tough times
Together we can overcome
And find a way to rise above anything
It really doesn't matter
There's no place better
Proud to be Bermudian
Oh, Ooh, Oh
Proud to be Bermudian

It's not picture perfect
But it's still paradise
Filled with children's hopes
And seasoned ivory smiles
So let's help and heal
And speak with one voice
'Til each one understands
That our wealth is so much more
Than blue skies and pink sand

Repeat chorus

Come along with me
Let's stand together
And let's shine loves light
And dispel fear's dark night
A brighter destiny
Will dawn for us
As we blend our hopes and dreams

And we live in peace as one
From the white roof tops
Pink and blue bus stops
In my Bermy shorts
With my knee high socks
And I'm in the Bermy flow
As people smile and say hello
Hot cross buns, shootin' marbles havin' fun
Spinnin' tops, or maybe goin' fishin' off the rocks
Hangin' in the loquat tree, my ace boys and me
Just chillin'
Cod fish cookin' early on a Sunday mornin'
Hear the choir in the distance singing praises
Undeniably
I'm so proud to be....Bermudian!

Repeat chorus

People livin' in a system of mayhem and confusion
Built on a foundation of mistrust and illusion
Conclusion is this...
Let us wake up and arise
Live our lives in way that's not built on compromise
With our youth as the future
We must pass them the mantle
Nurturing their ambitions
Leading them by example
Take time to express right or wrong we can give
It's up to you to decide
You've got one life to live
Come along with me
Let's stand together
And let's shine loves light
And dispel fear's dark night
A brighter destiny
Will dawn for us
As we blend our hopes and dreams
And we live in peace as one

Repeat chorus
