

ECO 'LUNCH & LEARN' SERIES

Presented by
Bermuda College
& Bermuda Environmental Sustainability Taskforce (BEST)

> *With knowledge comes empowerment and that is what BEST and the Bermuda College both strive to provide. Join us each month to learn more about global and local issues while discussing individual and collective solution-based actions that we can take.*

> *Raising awareness and generating discussion around Bermuda's environmental issues means that we can explore our options and choose the best solutions for any problem.*

> *Our first Lunch & Learn on September 27th featured Nick Hutchings presenting "Energy Conservation: A Matter of National Security". To read the presentation, please visit our website: www.best.org.bm.*

Bring your own lunch & learn about Bermuda's most pressing environmental issues, followed by a lively Q & A on possible solutions.

Series runs on the last Thursday in November 2018 and February, March & April 2019!

NEXT IN THE SERIES:
Thursday, October 25, 2018

Presenting Weldon Wade of 'Guardians of the Reef' and Sue Kahn, owner of 'Naked Zero' earth conscious products.

**Bermuda College, Room H100
1:00pm to 2:00pm**

This is a free series! No registration required
